The Manamaker Store Paris Costumes Reduced

NEW YORK JOURNAL, NOVEMBER 2, 1899.

We bring over Paris costumes with a new lavishness-believe that our present prices show no signs of the GREAT ADVANC

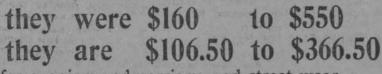

that we should, for this is a school A perverse world this: the as well as a store. We shall keep comedian feels he is a born tra- it in constant session. It is costly missed his vocation as a come- work, but we owe certain service to the public-to Our Public, who So does every short man long has shown faith in the store; has Why then does he wear a sack been willing to depend upon it.

We are going farther—going the shorter, when a walking coat to make it unnecessary for you to buy anything when in Paris or Never did we have so stun- London. It is so now, as to many

And the store shall be as fresh as Paris—no matter what moneyloss to us that entails.

The beautiful costumes from King and Francis and Walles and Corne and Havet and the other stars of the Rue de la Paix and Place Vendome have served us as an object lesson in dress elegance.

They were priced rather cheaper JOHN DREW THE TYPADRY of Tears than you could have landed anyone if made to your order. Now HENRY MILLER in THE ONLY WAY. they are reduced one-third-

They are outfits for evening and carriage and street wear. Will you improve the opportunity?

Silk Waists from Paris and Here Lady Humber Bicycles at \$25 and Silk Petticoats Only twenty-no more for love

We have made more room for the selling of silk petticoats and nor money. These would have been waists-we are doing our best to meet the demand and serve you who sold before, but we waited to replace Firm. even thread, soft finish-torn, not come for the goods comfortably and well.

Imported Silk Waists, \$15 to \$65.
Imported Silk Petticoats, \$16 to \$65.
Imported Silk Dressing Sacques, \$12 to \$50.
These lots of American goods are decidedly interesting— Silk Waists, prettily made, good plain taffeta silks, \$5, instead of \$6.50. Silk Petticoats, equalling regular lots at \$12, at \$9.50. Some at \$5—exceedingly good values. First floor, Broadway.

Overcoats for Men.

Think over this plain-stated fact: This clothing business is vastly easy. The Kodak has been one of larger than during the corresponding period a year ago, yet very many the greatest pleasure-givers we've FREE FACIAL MASSAGE, NEW METHOD clothing men are bewailing the slowness of business-and blaming the known.

You who have depended on us for clothing know why we are busiest. You may even are not still busier.

Now they are a whole third cheaper—\$3.35 for the \$5 size (Pocket Kodak) to \$23.35 for the \$35 No. 5 cartridge (biggest they make).

Extra Heavy Bleached—

Extra Heavy Bleached wonder that we are not still busier. The Wanamaker ready-made clothing is very clearly a line by itself—different; distinctive; Might as well lay in a supply for Christmas stylish—in effect, like custom-made work. And being rightly tailored, the garments hold giving.

Overcoats start at \$8.50. This for all-wool frieze overcoats—black or Oxford gray
